Welcome to the Department of Mechanical Engineering for taking
Admission in M.Tech in Production Engineering in 2021-22 Session

September 30 2021

Dear All,

Welcome to the Dept. of Mechanical Engineering for taking Admission in M.Tech in Production Engineering course.

We are going to start the classes by tomorrow through online system using Google Meet platform mostly. Usual class timing is from 10.30am to 4.50pm.

I along with some others from the department wish to meet you through Google Meet platform on today at 4pm. A separate email you will get through Google calendar shortly where you will get the joining detail. I am attaching herewith the contact details of new entrants to this course as obtained so far.

I shall show the Class routine there itself. Regarding choice of two Elective papers, you will have the options to file within Sunday next (03/10/2021) and from Monday onwards, classes of Elective papers will also be started.

Best wishes.

Prof. Dr. Santanu Das
Professor and Head, Department of Mechanical Engineering
Kalyani Govt. Engineering College, Kalyani- 741235, West Bengal, India
