NOTICE

Subject: Enrolment in SWAYAM-NPTEL courses for the current semester

All the students are hereby instructed to enrol for SWAYAM-NPTEL courses from the SWAYAM website. The courses will help you earn points for your Mandatory Additional Requirements, credits for your B.Tech. honours degree too apart from enhancing your subject knowledge. The students performing well might get opportunities for being selected for paid internships at the IITs under the faculty offering the course. The NPTEL domain certifications and NPTEL stars can give you an extra edge during the job placement drives too.

The details for enrolment are given below:

Website: <https://swayam.gov.in/>

Last Date of Enrolment: 27th July 2026

The students while registering should mandatorily mention that the college is a part of SWAYAM local chapter and then correctly select the name of your college. You can get in touch with your departmental faculties and HOD to get an idea regarding which courses will be beneficial for you during the current semester. The faculties may also enrol for the courses, if they are willing to act as subject mentors for all the corresponding course registered students. Top performing mentors will also get certificates from the NPTEL.

You can access the list of department wise courses from the following link. It can also be manually searched from the above mentioned website link too.
